IN compliance with General Conference action we present herewith a combined edition of the GENERAL MINUTES, containing a composite statistical and factual picture of what is being accomplished within the domestic conferences of The Methodist Church. The genuine response coming from each of the conference officers throughout the church has greatly helped in the work of publishing the GENERAL MINUTES, thus representing the combined thought and concern of many folk.

Only those Disciplinary Questions are printed for which there is an answer pertinent to the permanent record of the minister. In the list of appointments where numerals appear after names of ministers, they indicate "years appointed to the charge." Names in italics are those of supply pastors. The ministers who have been received into full connection during the conference year constitute the Class of 1951. The Death Roll, containing the names of those deceased, is also given. The record of those whose conference membership has been terminated other than by death is presented along with certain letters used to denote the method by which this has been done: D—Discontinued; L—Located; E—Expelled; W—Withdrawn.

In the Index, which lists all conference members, including probationers, our chief purpose is to indicate the page and column where the names of ministers and their appointments are to be found. The year previous to the name here represents the date of admission into full connection. Inaccurate dates should be reported to this office.

The Statistical Tables are reports by charges, not churches. The Statistical Recapitulations present totals for conferences, areas, jurisdictions, and for the church itself. In the Statistical Review are to be found totals of all the pastors' reports to their annual conferences during this and certain previous years.

As a convenient means of making available the record of the year's decisions, it was considered advisable to carry the report of the Judicial Council in this edition of the GENERAL MINUTES. Also, since the years between the issuance of the *Discipline* bring many changes in addresses and personnel among the general officers and boards, commissions, and other agencies of the church, it was thought advantageous to revise the Directory and print the revised list in the GENERAL MINUTES. Here too corrections will be appreciated in order that the material for subsequent years may be as nearly perfect as possible.

Cordially and fraternally yours,
ALBERT C. HOOVER, *Director*
